WHAT'S HAPPENING @ CORE

FIRST TIME VISITORS

If you're joining us for the 1st time, we want you to know how privileged we feel that you've chosen to take a chance on us. We get it... it's not easy to walk into a church for the 1st time. But because you did, we want to do something to say THANK YOU. After the service, we'd love for you to stop at our "Connections Booth" in the corner of our lobby. We've got a "1st Time Visitors" pack filled with a bunch of great stuff for you. If you ever need anything or have questions, don't hesitate to find a person wearing a RED lanyard.

MOTHER'S DAY @ CORE

Mother's Day is just around the corner, and we don't want to miss an opportunity to celebrate the incredible women in our lives. We do things a little differently at Core – we are so grateful for all the mom's in our lives, but we also know that every woman brings something incredible to table, and so we want to celebrate all the ladies. Plus, we love to have fun around here, so we'll be celebrating the ladies in a bunch of different ways. Invite that special lady for the fun on Sunday, May 12 @ 9:00a & 10:45a.

NEW SERIES

We're kicking off a brand new series next Sunday, May 5 that resonates with all of us at various crossroads in our lives. It's called We're calling it "Paper Walls". We all have next steps we know we're being called to take – little or big risks that are necessary – but there's always something that holds us back. There's a fine line between a reason and an excuse. It's time to move beyond the excuses. It's time to realize that those walls that seem to be holding us back are made of paper. This could be the series that pushes you forward in a major way. We want you here throughout May to experience the conversation with us!

TRANSIT WEEKEND '24

Transit Weekend is a local, overnight event for our 6–8th grade students programmed with fun & connection in mind. Every Sunday we see students take steps towards Jesus & grow in their relationships. But when students unplug from their daily lives & engage in camps & events, we see walls come down in their lives. We believe this weekend, full of fun & time together as small groups, will make a huge difference in the life of your middle school student. Transit Weekend is happening May 18–19 & the all-inclusive cost is just \$65. To register your student, visit corecommunity.church. (Scholarships are available for necessary cost reduction)

NEXT STEPS @ CORE

BAPTISM

Baptism is an important step for every person who follows Jesus Christ. It is an opportunity to publicly declare your faith in Jesus Christ and follow His example of being baptized. Baptism is a way to show the change Jesus Christ has made in your life.

COMMUNITY GROUPS

Community Groups are an opportunity to join a group of people in a similar stage of life as you. At Core, we believe that no one is meant to do life alone and that spiritual growth happens best in circles, not in rows. Find a group to do life together with. To get more info on a group, visit our website & click on the NEXT STEPS tab.

GIVING

Everything we do at Core Community Church is made possible through the incredible generosity of people here. If you are new to Core, we don't want you to feel any obligation to give. At Core, we believe giving is an incredible way to trust God with your finances. It is a way for us to give back what He has given us to ensure lost people are being reached in our community and around the world. At Core, we are committed to being great stewards of the money entrusted to us. We offer ONLINE GIVING for your convenience. You can give online by visiting our website (corecommunity.church) and click on the NEXT STEPS tab. GIVING BOXES are located at the back of the Auditorium.

GLOBAL IMPACT SPONSORSHIP

One of our big "Global Impact" initiatives is our partnership with 2 Care Points around the world—one in Guatemala (Puerta de Esperanza) and one in Uganda (Odudui). Our Care Points service over 300 kids with food, healthcare, school supplies, schooling, clothing, and other necessary needs. Core sponsors 125+ kids at our Care Points. For more info, visit hopechest.org/puerta-de-esperanza/ or hopechest.org/odudui.

SERVING

At Core, we value service. We believe that our church is stronger with everyone working together. One of the best ways to get connected & grow in your relationship with Christ is through serving on a ministry team. There are multiple areas to get involved & we are always in need of new, excited volunteers! If you would like more info, grab a "Put Me In Coach" card in the seat pocket in front of you, and drop it in the GIVING BOX.
